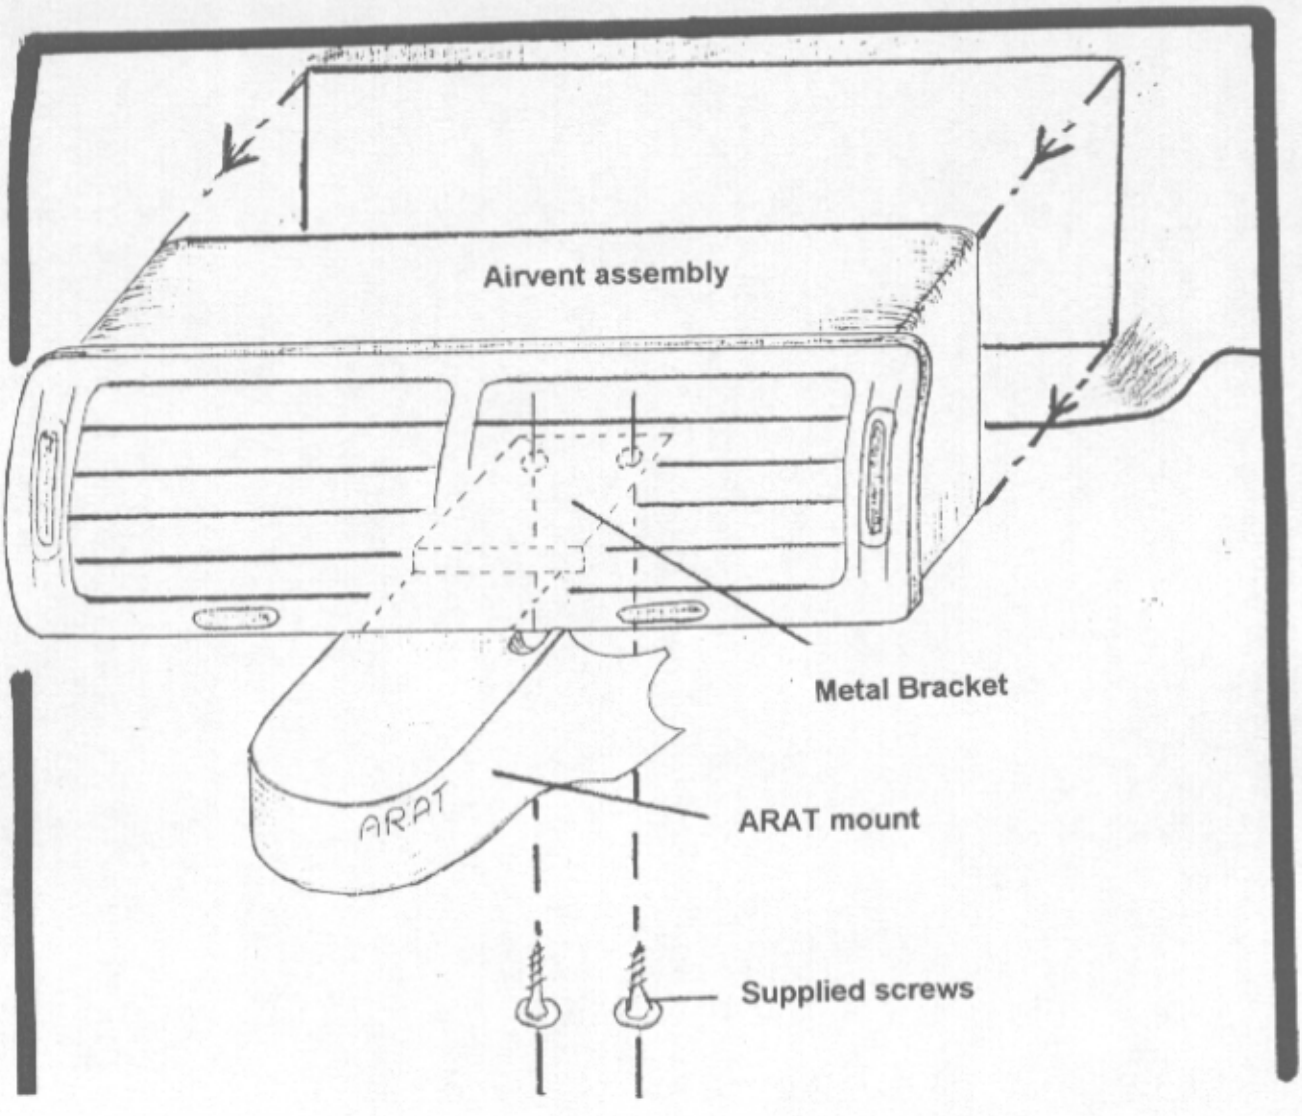
ARAT Navigation mount

Type: Volkswagen Passat
Model 1997 onwards

Part No: NS1007.7



Installation instruction

1. Remove the airvent assembly from the dashboard, (it is only a clip in fit)
2. Place the ARAT mount on the underside of the airvent assembly, and secure the mount with the supplied screws and lock washers, through the metal bracket into the material of the airvent assembly
3. Replace the airvent assembly into the dashboard
4. Place the cable to the monitor/Display via the pre-formed channel
